PET COLLECTION 2026

Handwoven Cat Houses & Beds

Natural water hyacinth homes for cats, woven by hand in the Mekong Delta.

Crafted in Vietnam. Built for the World.

Who We Are

HMD Strategy & Export Co., Ltd connects international buyers with skilled weaving workshops and cooperatives across the Mekong Delta. We manage sourcing, quality control, and export logistics, so our partners can offer new product lines like this pet collection without the sourcing risk.

Headquarters

Đồng Nai, South Vietnam

Partner Workshops

Đồng Tháp province, Mekong Delta

Export Port

FOB Ho Chi Minh City

Main Material

Water hyacinth (lục bình), HS 4602

Cat Caves, Tents & Houses

Enclosed woven shelters for cats that like to burrow and hide.

HMD-PET-01

Peak Tent Cave

Tall pyramid-shaped cave with a wide entrance. Soft cushion included.

Reference size: approx. **Ø42 x h52 cm**

HMD-PET-02

Cocoon Cave

Rounded, fully enclosed cocoon shape. Popular for cats that prefer full cover.

Reference size: approx. **Ø42 x h52 cm**

HMD-PET-25

Arched Cat House

A deeper bed with an arched front and cream cushion, a cosy corner for the cat. Pieces stack when packed.

Size to be confirmed with workshop

HMD-PET-26

Woven Tunnel House

A rolled tunnel with a round entrance, a top opening and a soft base.

Size to be confirmed with workshop

Woven Cat Beds

Open beds with raised sides, ideal for daytime lounging.

HMD-PET-03

Open Round Nest

Low, open-front nest for cats that like to keep watch while resting.

Size to be confirmed with workshop

HMD-PET-04

Rectangular Lounge Bed

Structured frame with tall sides on three faces and a low front for easy entry.

Reference size: approx. **70 x 36 x h8-23.5 cm**

HMD-PET-05

Oval Comfort Bed

Rounded oval frame with a plush fitted cushion, sized for cats and small dogs.

Reference size: approx. **45 x 30 x h30 cm**

HMD-PET-06

Open-Front Box Bed

Boxy frame with a cut-out front panel, giving a den-like feel while staying open.

Size to be confirmed with workshop

Lounge & Bowl Beds

Low, open beds with curved shapes and soft cushions.

HMD-PET-23

Round Bed with Side Opening

Low woven rim with a side opening for easy step-in and a soft cream cushion. Ships wrapped with a care card.

Size to be confirmed with workshop

HMD-PET-24

Half-Moon Lounger

Open curved shell with a cream cushion. The shape nests, so many pieces ship in little space.

Size to be confirmed with workshop

HMD-PET-10

Curved Bowl Bed

Low, wide bowl shape with a gentle side cut-out for effortless in-and-out access.

Reference size: approx. **Ø45-47 x h15 cm**

HMD-PET-11

Donut Ring Bed

Thick woven ring frame around a soft central cushion, for cats that like to curl up.

Reference size: approx. **Ø40 x h20 cm**

Multi-Level Cat Towers

Taller woven structures that add vertical play and resting space.

HMD-PET-07

Two-Tier Play Tower

Enclosed lower den with a cushioned open platform on top for climbing and lookout.

Size to be confirmed with workshop

HMD-PET-08

Round Two-Tier House

Cylindrical body with a covered lower den and a soft cushioned top perch.

Reference size: approx. **Ø53 x h37 cm**

HMD-PET-09

Twin-Hole Tower

Tall cylinder with two entry points, giving cats a den plus a lookout ledge.

Reference size: approx. **Ø32 x h45 cm**

HMD-PET-18

Two-Tier Egg Tower

Egg-shaped tower with a plush top cushion and a covered lower den.

Size to be confirmed with workshop

Ear Cave Collection

Playful caves with woven ear details, a distinctive signature shape.

HMD-PET-14

Cat Ear Pedestal Cave

Rounded cave on a raised pedestal base, finished with pointed cat-ear details.

Confirmed size: 42 x 42 x h52 cm

HMD-PET-15

Bear Ear Pedestal Cave

Same pedestal cave silhouette with rounded bear-ear details for a softer look.

Reference size: approx. **Ø42 x h52 cm**

HMD-PET-19

Cat Ear Cave, Color Cushion

Cat ear pedestal cave with a bold colored cushion. Cushion color can be customized per order.

Reference size: approx. **Ø40-50 x h50 cm**

HMD-PET-21

Cat Ear Ground Cave

Same cat-ear silhouette without the pedestal, sitting flat and low to the floor.

Size to be confirmed with workshop

From the Workshop Floor

Every piece is woven and shaped by hand before it ships.

HMD-PET-20

Rounded Ear Cave Bowl

Cat ear pedestal cave with a rounded, open front-facing weave and a raised base.

Reference size: approx. **Ø40-50 x h50 cm**

HMD-PET-22

Cat Ear Hanging House

Round house with two woven ears and a loop on top for hanging or carrying. Cushion included. Suits cats up to about 6 kg.

Reference size: approx. **Ø40 x h40 cm**

Specialty & Accent Pieces

Distinctive shapes for stores and homes that want something beyond a standard bed.

HMD-PET-12

Tripod Bowl Chair

Elevated bowl seat on three woven legs, a decorative accent piece for showrooms and homes.

Reference size: approx. **Ø45 x h55 cm**

HMD-PET-13

Gingham-Lined Basket

Round basket with a removable checked fabric liner and tie handles, doubles as storage or a bed.

Reference size: approx. **Ø39 x h22 cm**

HMD-PET-16

Round Pedestal Chair

Ball-shaped seat on a matching woven base, a striking accent piece for a showroom corner.

Size to be confirmed with workshop

HMD-PET-17

Barrel Cushion Cave

Rounded barrel silhouette in a coarser seagrass-style weave, with a fitted cushion.

Size to be confirmed with workshop

Rattan & Seagrass Pieces

Beds in other natural-style weaves, for ranges that go beyond water hyacinth.

HMD-PET-28

Seagrass Ear-Handle Bed

Wide bowl bed in a twisted seagrass-style weave with two cat-ear handles and a round puffed cushion.

Size to be confirmed with workshop

HMD-PET-29

Woven Pet Tray Bed on Legs

Low oval tray bed with a rattan-style weave, raised on short legs. Dimensions marked on the product photo.

Reference size: approx. **33 x 23 x h8.5 cm**

HMD-PET-30

Raised Round Rattan Bed

Open round rattan bed lifted off the floor on a ring frame with slim legs.

Reference size: approx. **Ø43 x h10 cm**

HMD-PET-31

Rocking Lounger

Curved rattan lounger on rocker runners, for cats that like to sway while resting.

Reference size: approx. **50 x 35 x h11 cm**

HMD-PET-27

Woven Fish Wall Toys

Hand-woven fish hung from a natural branch, in natural tone or colour stripes. Colours and number of fish can be made to order.

Mix and Match

Beds, caves, ear houses and towers can be ordered together as a set.

Made by Hand, Built to Order

Natural fiber

Water hyacinth woven over a durable rattan or metal frame, air-dried and finished by hand.

Partner workshops

Production runs through cooperative workshops in the Mekong Delta.

Sizes on request

Each shape shown is available in more than one size. Confirm exact dimensions and MOQ when you shortlist a design.

Custom development

Cushion colors, entry shapes, and add-on feet can be adjusted for private label orders.

Let's Talk Product Fit

Send us your target price range, order volume, and preferred sizes, and we will confirm which of these designs your partner workshop can produce.
